John has the background and experience working with companies such as Learning Annex, Xerox, Mary Kay Inc, CSUN-Northridge University, Well-Point, RE/MAX Realtors, Teamsters Union, and post 9/11 with the US Army counter-intelligence team.

Testimonials

"Your unique and unparalleled efforts to customize Neuro-Linguistic Programming training for military applications has significantly contributed to the overall high state of readiness of US Army Special Operations Command's Counter intelligence and Human Intelligence elements. Your specialized training reflects a great credit upon your organization."

Chief Alan Gruel – US Army Special Operations Command

"John Santangelo is my personal "Goal Guru." I've learned so much from him not only about how to visualize what I want, but how to MAKE IT HAPPEN! John's "Speak Up with Power" system is an amazing program for realizing your dreams. Mine are now coming true!"

Susan Bratton - Podcaster PersonalLifeMedia

"John, in my career I've had the opportunity to hire hundreds of professional trainers and seminar leaders and I can say unequivocally that you rank with the best of the best and your workshop is to the point..."

**Alan Randal
Director Sales - WellPoint**

Imagine offering all your listeners the actual success formula that all high achievers have used for centuries! Living life with passion and joy can be a simple process once you know how to create it. The main component for this is controlling your emotions so they do not control you!

Life didn't come with an owner's manual for the mind. The secret is getting clear AND learning to get out of our own way... simple, just not easy!

NLP, neuro-linguistic programming is all about modeling success - RESULTS! Your audience will learn to utilize the four components, what holds them back, and how to use it to focus their thinking to produce better results for life-long success AND happiness!

John's Podcast & Speech Topics -

- Master Your Emotions, Master Your Life
- Communication Skills Mastery
- The Secret of Sales Success

"If you knew how powerful your thoughts were, you'd choose them more wisely."
